

# BECKMAN CONSULTING WORLDWIDE

*Opportunities & You*

Our solutions will minimize outsourcing in a tough economy.

You keep your employees.  
We'll figure out the rest.

## A Unique Umbrella of Business Development Solutions

*Strategic Marketing • SHRM • Customer Relationship Management • EAP • Organizational Culture Development • ERM  
Human Capital Management • Start-up Business Planning*

We're business developers and addiction treatment specialists. Let's create a strategy for building your SHRM and HCM structure that will power your long-term growth and prevent employee loss. Our business development solutions will help improve your operational efficiencies and optimize your funding streams for a healthy bottom line and maximum employee retention.

Your employees are your most valuable asset. We can help reverse unemployment in the Health & Human Services industry and consider outsourcing only for non-essential functions, if needed.
