Beckman Addiction Care Systems

Our model for Addiction Care is growing. Located conveniently in Sherman Oaks California, the highly qualified team at BACS continues to combine innovative approaches, industry best practices, and top-notch Addiction Care Resources in order to help our clients shape a new perception and live healthy & addiction-free. Our approach: we teach our clients about transformative change using behavior modification, cognitive restructuring, and emotional balance strategies. Our program includes individual & group counseling, therapy, family reunification, parenting, DV, Anger Management, [Sober Companions 360](#) service, eCounseling, Prevention Awareness & Education, and much more.
